PROFESSIONAL SUMMARY

Motivated and detail-oriented IT graduate with a B.S. in Information Technology, specializing in Full-Stack Web Development. Recognized as "Web and Mobile Developer of the Year," with hands-on experience through academic projects, internships, and freelance engagements. Proven ability to deliver full-cycle web solutions and eager to contribute to team success in a professional development environment.

EXPERIENCE

Junior Developer Intern | Erovoutika Ph, Inc. - Makati City Jan – Mar 2026

● Lead Developer to website redesign and frontend development using Next.js and React, supported backend development and IoT hardware integration testing for smart farming initiatives, and completed 220 hours of internship while collaborating with senior developers.

Web & Mobile Developer of the Year (Awardee) | Ilocos Sur Polytechnic State College May 2026

- Awarded top web and mobile developer for outstanding project delivery and innovative technical solutions, recognized by academic and industry evaluators.

Technical Officer / Member | Information Technology Students' Organization (ITSO) – ISPSC Candon Campus 2022-2024

● Maintained and inspected computer laboratory units, provided on-site technical support during school events, and handled computer setup, configuration, peripheral installation, and basic hardware troubleshooting over three consecutive years.

PROJECTS

Crystal Cold Storage CRM

Next.js | TailwindCSS | Role-Based Access Control | Vercel

- Co-developed a CRM platform for Crystal Cold Storage, Inc. handling quotation management, complaint tracking, and client satisfaction surveys with role-based access control.

C.H.E.C.K - Community Health Evaluation Center Kiosk

ESP32 | C++ / FreeRTOS | PHP (OOP) | MySQL | Bootstrap 5

- Led end-to-end development of an IoT self-service health kiosk for Barangay Darapidap featuring biometric fingerprint identification, non-contact thermometry, automated BMI calculation, and SpO2 telemetry; rated 6.88/7.00 (ISO 9126-2) by evaluators.

SpectaQR - Event Attendance System

JavaScript | PHP (OOP) | MySQL | Bootstrap 5 | Html5-QRCode

- QR-based event attendance, fine calculation, and payment confirmation system for the Supreme Student Council, cutting entry queue times by 95% and handling 1,000+ students across 4 event checkpoints.

HR System - AI-Powered Human Resource System

Next.js | React | TailwindCSS | Node.js | PostgreSQL | Supabase | Claude 3.5 / GPT-4o

- Built an intelligent HRMS during a 3-day PRD-driven masterclass at ISPSC featuring smart shift scheduling with conflict detection, document lifecycle management, and AI-generated appraisal summaries synthesized from quarterly performance metrics.

Erovoutika Ph — Robotics & IoT Immersion

Arduino / ESP32 | C / C++ | MicroPython | Next.js | TailwindCSS

- Lead Developer to the frontend re-architecture of Erovoutika's e-learning platform and engineered standardized breakout shield schematics with bidirectional logic level shifting for cross-MCU compatibility.

SKILLS

- HTML
- CSS
- JavaScript
- TypeScript
- PHP
- MySQL
- React
- Next.js
- TailwindCSS
- Node.js
- Figma / GitHub / Vercel
- IoT Integration
- Hardware Troubleshooting
- Technical Support
- OS Installation & Config
- User Support & Training

EDUCATION

Ilocos Sur Polytechnic State College — Candon City Campus
Bachelor of Science in Information Technology | 2020 – 2025

Candon National High School
Senior High School | 2017 – 2019

CERTIFICATIONS

- Entry-Level Robotics Certification
- Web & Mobile Developer of the Year — Ilocos Sur Polytechnic State College (May 2026)
- Foundations of Leadership Excellence (FLEX) — Innov8.Org Corporation, Batch 302 (Aug 15–16, 2026, SMX Convention Center Aura, Taguig City)
- TESDA — Introduction to CSS (Jul 2026)
- TESDA — Installing and Configuring Computer Systems (Jul 2026)
- DICT — Digital Innovation in Government
- DICT — Data Privacy
- DICT — Fundamentals of Marketing
- Prompt Like an Engineer — DICT-ITU DTC Initiative via Cisco Networking Academy (Sep 1, 2026)
- NetOps Certified Engineer (NTO-101) — Appkademiya Cybersecurity Certification (Aug 24, 2026)
